

Downloading forms and submitting on different platforms.

Note: It is not possible to give detailed tutorials on the use of different platforms; this guide assumes that you are familiar with your own equipment and that you have a working copy of Adobe Acrobat installed. Here are two examples:

Windows PC

1. Click on link Download Interactive Application Form
2. Save this form <right click><Save as>
3. Open the form and complete.
4. Save the form
5. Open the AO UK Faculty Application (Supplementary Form)
 - a. Complete name
 - b. Submit completed application
 - c. Submit photograph

i-Phone/i-Pad

1. Open the Interactive Application Form in Safari
2. Tap field look for 'Open in' at the bottom right of the screen
3. Tap and select Copy to Adobe Acrobat
4. Save to Document Cloud.
5. Open the AO UK Faculty Application (Supplementary Form)
 - a. Complete name
 - b. Submit completed application
 - c. Submit photograph
